Request for Determination of Applicability, Fran and Lisa Kelly

514 South Main Street

- Proposed construction of a new trailer sited on area where previous trailer burned and has been removed. Location is within 100' of the lake. Indicated as E3 on the map.
- Trailer will be @ 14' x 60'. Fran measured and closest point to the lake is 65' from the edge of water. There are two existing summer cottages located closer to the lake. Would need to excavate, put in stone, level area, and pour a 4" slab. Trailer would be on sewer line and water line. There will be some regarding and blending around the pad that would be limited by the pre-existing lawn area.
- Reconvening public hearing on site on Friday, November 11<sup>th</sup> at 8 am.
